

December 13, 2020

Dear coaches and competitors,

The Ridge High School Speech and Debate Team would like to invite you to the eighteenth annual "Ridge Invitational." We welcomed sixty-one schools in 2020, and we look forward to making 2021, virtually (pun intended), the best event yet! Registration will open on December 14th at 3:00pm at www.Speechwire.com. See <https://njsdl.live/ridge> for more details. We will be using a combination of Speechwire, NSDA Campus, Zoom, with some elimination rounds being livestreamed (via unlisted links) in YouTube. Awards will be livestreamed either by Zoom webinar or Youtube. By signing your students up for the tournament, we are assuming that you have obtained the necessary parental permissions to participate in these platforms.

The 2021 Ridge Invitational will be comprised of asynchronous and synchronous events. To promote equity and access, we are currently planning a unique opportunity which will provide students a selection of asynchronous and synchronous preliminary events while conducting all semi-final and final rounds synchronously.

We are offering all New Jersey speech events, Public Forum (3 divisions), Lincoln-Douglas Debate (3 divisions), two-person Parliamentary Debate (2 divisions), and Congressional Debate. In addition, we will be featuring Radio Broadcasting and Children's Literature among the other speech events.

Students in speech events may double-enter in synchronous events and may double-enter in asynchronous events (for a total of four); however, if they break in all four, please note, they will be VERY busy during elimination rounds!

We will preliminarily have caps at 6 entries per event; however, as we ascertain how many teams will be attending, students will be removed from waitlists as space remains available. We plan on making the first waitlist releases on January 9th.

Awards will be presented to all elimination round participants. In events where the entry numbers warrant, we will award the top-three non-advancing to elims "novice" students. The top schools will be receiving Sweepstakes awards. Awards will be mailed the week following the event, pending entry payment. Please feel free to contact us regarding any clarification of rules or procedure.

Congress bills may be sent to dyastremski@bernardsboe.com by 3:00pm on Friday, January 15th. We will have legislation posted by the end of day on Monday, January 18th. Please see the invitation for information on add/drop deadlines, nuisance fees, and other tournament logistics.

Hope to see you in January!

David Yastremski

Director of Forensics - Ridge High School
