

SMSU Speech Tournament-2021

International-Extemporaneous Speaking

Students will submit two videos: one for rounds 1 & 2 judging and one for rounds 3 & 4 judging. Each round will have two sets of Extemp questions: Domestic (US) and International. Students may pick from which set they'd like to speak on.

We trust all students and coaches to adhere to Limited Prep guidelines and ethical competition choices for preparation. Extemp prep does not need to be included in the performance video.
