

Judge usage

Below, you can see what time each judge is being used for what activity. If you see an empty box, then the judge is available at the corresponding time. If you see a box with an 'X' in it, that means that the judge is still judging at the corresponding time from the last scheduled activity for that judge.

Available at slot:		262	261	264	265	254	253	246	247

Note that the 'Available at slot' row simply counts the number of judges in the current view that in the timeslot's column appear to be available (not judging, not inactive, not slot-blocked, not time-blocked, etc.)
