

Extemp

Has Paul-Henri Damiba made Burkina Faso less safe by demanding French troops leave?

What protections, if any, should governments impose on AI art?

Should the United Nations impose restrictions on the use of drones in wars?

Imp

“You cannot buy the revolution. You cannot make the revolution. You can only be the revolution. It is in your spirit, or it is nowhere.”

— Ursula K. Le Guin

Fortunately, where reason failed, blind panic served well enough. -N.K. Jemisin
