

The The Impotence of Proofreading

By Taylor Mali

(461 Words)

This this is called the the impotence of
proofreading
has this ever happened to you
you work very very hard on a paper
for english class and still get a very
glow rate on it like a deer
and all because you are the
liverwurst spoiler in the whale wide world

yes
proofreading your peppers is a matter of
the utmost importance
now this is a
problem that affects manly manly
students all over the world

i myself was
such a bed Spiller once upon a term that
my English torturer in my sophomore Year
Mrs. Smith
she said that I was
never going to get into a good college
and that's all i wanted
that's all any kid wants at that age
just to get into a good college
and not just an community college either
because i am not the kind of guy
who would be happy
at just an community college

I need to be challenged
challenged menstrually
I need a place that can offer me
intellectual simulation

so I know this probably makes me
sound like a stereo
but i really felt that I could get into
an ivory legal colleague
so if i did not improvement
then gone would be my dream
of going to Harvard, jail, or prison,
you know in prison, New Jersey

so i got myself a spell checker
and i figured i was on sleazy street
but there are several missed aches
that a spell checker can't can't catch catch

For instant if you accidentally leave Out word
your spell checker won't put it in you

and God for billing purposes only
you should have cereal problems with tori spelling
your spell Chekov may end up using a word
that you had absolutely no detention of using
Because
I mean
what do you want to douche
You know?
No, it only does what you tell it to douche.

Sure, you're the one who's sitting in front of

the computer screen with your hand on
the mouth going
clip clip clip

just goes to show you
how embargo one careless
little clip of the mouth can be

Which reminds me of this one time during my junior mint
the teacher took the paper
that i had written on a sale of Two Timmies
no I'm serious
I am cereal.
She read it out loud in front of all of my assmates

it was quite possibly one of the
most humidifying experiences I have ever had
being laughed at like that pubically

so do yourself a flavor and follow these
two pisces of advice:
One, there is no prostitute for careful editing of your
own work
no prostitute whatsoever
And three
when it comes to proofreading
the red penis is your friend.
Spank you.
