

## INSTRUCTIONS FOR SUBMITTING DOCUMENTATION

Dear Coach - You are receiving this message because you have registered at-large entries for this year's NIETOC. Application materials are due by March 31. Qualifying at-large entries will be notified by April 10. Payment for accepted entries will be due by April 15.

\*Because you have registered at-large entries, we are sharing the [2023 NIETOC AT-LARGE ENTRIES](#) folder with you:

<https://drive.google.com/drive/folders/1SZLRaI4irQG4C0n0ub4-COtVO9tjyzRA?usp=sharing>

\*The following steps will need to be completed for the following situations:

-At-Large Qualifier during the 2022-23 season (Three ranks that equal or are less than 10.)

-Qualifier via your 2022 or 2023 State Tournament (These could be registered as Auto, Bid or At-Large applicants.)

\*Please complete the following steps:

1 -- Coaches should create a folder containing ALL of their at-large entries and then upload that folder into the master.

2 -- For each student, we need either a document with links to the specific tournament results listed on the website (such as SpeechWire, Tabroom, Joy of Tournaments, TFA reports, etc.) OR a PDF of the tournament tab sheets which verify that the results listed are, in fact, accurate. **Please compile all three pieces of verification for each entry into the same document.**

3 -- When uploading those documents or PDFs, please name the files as follows:

School Name-Student Last Name-Event (LSouthwest-Heimes-DI)

4 -- If pulling results from SpeechWire, **please use the Competitor View feature**, which shows all of their events and placing for the season (example pictured below):

5 – If compiling results from Tabroom, please include a screenshot of **EACH** tournament, as links to those results do not open directly and create problems verifying. **Below is an example screenshot from ONE tournament – you would need to include captures of all THREE.**
