Competition Rules

1. AFA-NST rules and descriptions will govern all AFA-NST events. Phi Rho Pi rules will govern IPDA and NPDA. Please make note of these rules, as they may differ from tournaments in your region. There will be no C/X in the final round of Extemp.

2. As per new AFA-NST language, the use of the Internet and/or electronic files are permitted in Extemp.

3. On Saturday, we will offer one division of Individual IPDA debate. Please make note of the following rules:

a. Debaters will be presented with three resolutions. Both debaters will alternatively strike one resolution each, starting with the negative. The 30-minute preparation period begins at the first negative strike. We will follow the time constraints set forth by the IPDA: 5-2-6-2-3-5-3.

b. During prep time, students are allowed to access any prepared material and/or electronic materials. This includes access to the Internet. In addition, students are allowed to prep with other students, but NOT COACHES.

c. All preliminary rounds will be randomly preset. Brackets will NOT be broken in elimination rounds.

d. There will be a designated room for topic draw. Students MUST report there ON TIME for draw! IPDA will most likely be flighted so students should note which flight they are. Further info can be found at www.ipdadebate.info

e. Schools will be asked to submit topics for IPDA to respect regional diversity.

4. On Sunday, we will offer one division of NPDA debate. Please make note of the following rules:

a. Teams will be presented with three resolutions. Both teams will alternatively strike one resolution each, starting with the Opposition. In addition, both the Leader of Opp and Member of Govt are granted 2 minutes of flex time before their constructive; the Member of Opp and Prime Minister are granted 1 minute of flex time prior to their constructive and their rebuttal respectively. This time may be used to ask questions and/or prepare speeches.

b. During prep time, students are allowed to access any prepared material and/or electronic materials. This includes access to the Internet. In addition, students are allowed to prep with other students and/or coaches.

c. All preliminary rounds will be randomly preset. Brackets will not be broken in elimination rounds.

d. Topic draw will take place in the competition room.

Hotel/Transportation

- There's no official tournament hotel. I strongly recommend using your hotel site of choice.
- The NYC metro region is serviced by four airports: LaGuardia and JFK are both 30-40 minutes from campus. Newark is 60-90 minutes away, while Islip is about 2 hours from campus.
- I recommend using the Playbill website, the TodayTix app and Trip Advisor to plan any extracurricular activities while in NYC.
