Academic Awards Show

Speech Awards Show ASAP

CX, LD, Congress, HI, DI cannot cross enter in these events other than a contestant may do HI & DI.

All Debaters and HI/DI should be able to enter Extemp. Non-advancers can be added to other events with payment.

For IEs, a slight overlap in schedule should allow them to perform, but a full overlap with another event means no cross entry with academic tests.

All IEs including HI/DI, can cross enter in other IEs providing rounds are not held up. Be reasonable everyone.
