

# EAST #4: A Bill to Mandate the Use of Facial Recognition

Technologies for Police

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT

2     **Section 1:** All Police whether it be in federal, state or local can't fully  
recognize suspects  
3                   while in pursuit of them. This causes harm to citizens and puts  
them in danger,  
4                   so facial recognition technology will be required to identify all  
before  
5                   taken into custody.

6     **Section 2:** Facial recognition technology will be referred to as Biometrics,  
or technology  
7                   used to identify someone from their face.

8     **Section 3:** The Department of Justice (DOJ) will oversee the passing of this  
resolution as  
9                   well as the use of these technologies in forces.

10                  A. 500 million USD will be budgeted towards providing quality  
recognition  
11                  technology for police forces across the nation.

12                  B. The DOJ will also oversee that the technology is not being  
abused, and only  
13                  being used to recognize suspects in profiled cases.

14     **Section 4:** The bill will take into effect January 2024.

15     **Section 5:** All laws in conflict with this legislation are hereby null and void.
