2023 FALL MASQ EXTEMPORANEOUS SPEAKING QUESTIONS
PRELIMINARY ROUND TOPICS
Are alleged military ties between Iran and Russia a game changer for the Russo-Ukrainian War?
Are anti-junta forces on the verge of a major breakthrough against the Myanmarese government?
Are federal law enforcement officials doing enough to mitigate the impact of the fentanyl crisis?
Are organizations like ECOWAS and the AU hampered by a lack of cooperation between member states?
Are South Africa's foreign policy decisions isolating it from the international community?
Are the GOP debates doing more harm or good for the Trump campaign?
Are U.S. budget airlines in trouble following poor earnings reports?
Are Western European nations on the verge of a political shift to the right?
Can Javier Milei use his popularity to turn around Argentina's economic fortunes?
Can President Muizzu deliver on his promise to remove foreign military personnel from the Maldives?
Can the KMT party rally enough support to successfully challenge the upcoming Taiwanese presidential election?
Has China begun a new wave of oppression against its Muslim minority?
Has consumer confidence become an inaccurate indication of economic fortunes in the U.S.?
Has India's alleged campaign against Sikh separatists damaged its international credibility?
Has the meeting between President Biden and President Xi lead to a sustained decrease in tensions between the
leader's nations?
Has the time come for U.S. political parties to ask their elder statespeople to retire?
Has the U.S. air traffic control system reached a breaking point?
How can companies like Airbnb address concerns that their business model creates housing scarcity?
How is coal making a quiet comeback as part of the U.S. energy supply?
Is a cooling inflation rate enough to bring US housing costs under control?
Is a historically tight labor market restricting the U.S. government's ability to control economic growth?
Is a primary challenge against President Biden needed to reinvigorate the Democratic Party for 2024?
Is climate anxiety a viable mobilizing force for citizens to pressure political leaders for solutions?
Is Nigeria on the verge of an economic crisis brought on by high inflation?
ELIMINATION ROUND TOPICS
Is organized crime a continuing problem in Italy?
Is Qatar using their position in the Israel-Hamas conflict to become a regional peacemaker?
Is Qatar using their position in the Israel-Hamas conflict to become a regional peacemaker?
Is Qatar using their position in the Israel-Hamas conflict to become a regional peacemaker? Is saltwater intrusion the biggest threat to the Gulf Coast since Hurricane Katrina? Is the COP28 organization a pipe dream? Is the OpenAI saga a cautionary tale for the tech industry?
Is Qatar using their position in the Israel-Hamas conflict to become a regional peacemaker? Is saltwater intrusion the biggest threat to the Gulf Coast since Hurricane Katrina? Is the COP28 organization a pipe dream? Is the OpenAI saga a cautionary tale for the tech industry? Is the US military doing enough to redress historic acts against soldiers of color?
