

1 **WHEREAS,** High school students are consistently under extreme stress due to school;
2 and
3 **WHEREAS,** Most high school students get under the healthy amount of sleep, are
4 under constant stress to perform well in school and extracurriculars, and 5
5 days a week leaves little time to rest, perpetuating poor sleep cycles and
6 poor health; and
7 **WHEREAS,** Increased stress and lack of sleep can lead to further health complications;
8 and
9 **WHEREAS,** A four day week would provide needed time to rest to handle aggressive
10 high school work loads; now, therefore, be it
11 **RESOLVED,** That the Congress here assembled shall enforce 4 day weeks for all public
12 high schools for student health by the 2025-2026 school.

Introduced for Congressional Debate by Marquette Sr. High School.
