

# A Bill to Abolish the Electoral College

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- 1   **SECTION 1.**   The Electoral College voting system, which is currently used to elect the  
2                   president of the United States, shall be abolished and replaced with a  
3                   popular vote. In all future elections, the ticket to win the majority of the  
4                   popular vote will be declared winners.
- 5   **SECTION 2.**   The Electoral College shall be defined as the voting system which enables  
6                   select groups of individuals to represent each state as a body of electors  
7                   during a presidential election. A popular vote shall be defined as a voting  
8                   system where each individual accounts for a singular and direct vote.
- 9   **SECTION 3.**   The United States Congress will work jointly with the Federal Election  
10                  Commission(FEC) to ensure that all necessary changes to the voting system  
11                  are made prior to the 2028 presidential election.
- 12                  A. The departments will work in coalition to determine what constitutes  
13                  “necessary changes.”
- 14                  B. State election committees will be responsible for informing voters and  
15                  assisting them through the transition.
- 16   **SECTION 4.**   This legislation will take effect January 1st, 2025. All laws in conflict with  
17                  this legislation are hereby declared null and void.
