

# A Bill to Cap Trading Expenditures

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** Politicians for years have had the ability to increase their growth in  
3 economic sectors by abusing their positions in legislation.

4 A. Be it enacted by this congress that politicians must have their  
5 trading accounts limited to \$5000 USD per year to better  
6 representation in our democracy.

7 B. Their immediate family also cannot have trading accounts exceed  
8 \$7500 USD per year.

9 **SECTION 2.** Politicians shall be defined as the President, Vice President, Cabinet  
10 Members, individuals working in the Fed, Senators, Representative, and  
11 Justices.

12 **SECTION 3.** The sections of this legislation shall be regulated as follows:

13 A. The United States Department of Treasury shall oversee this  
14 legislation over everything besides the cabinet members involved  
15 in the United States Department of the Treasury.

16 B. The United States Department of Commerce shall oversee this  
17 legislation regarding cabinet members involved in the United  
18 States Department of the Treasury.

19 **SECTION 4.** This legislation will take effect on January 20, 2025. All laws in conflict  
20 with this legislation are hereby declared null and void.
