

## CHSAA 3A States - Congress Schedule

Our schedule for Congress at the 2025 CHSAA 3A State Tournament involves a session at Dawson School as well as the normal A Wave times at Niwot High School.

The Dawson School has rooms for Congress at noon on Friday January 31. After the three-hour session at Dawson School, students will move over to Niwot High School to join their teammates. Niwot High School is located just six minutes away from Dawson School. The Congress will reconvene during the A Wave time slots through Friday and Saturday. In total, there will be the required time for preliminary sessions (6 hours) and Super-Session (3 hours) without delaying the meet.

Congress competitors and Coaches/Chaperones are welcome to arrive at Dawson School at noon on Friday. All other students should plan to arrive at Niwot High School at 3:15-3:30 to check in. We realize the stresses this puts on a team's logistics and appreciate your flexibility.

This three-hour Congress session at Dawson School provides a significant number of benefits including allowing Congress competitors to double enter into B Wave events and allowing the Saturday events to run without delay.

Here's a basic breakdown of Congress times:

Friday -

Arrive and Check-In at Dawson School (Parking Lot 6) at Noon

Start First Session at 12:15 - 3 hours
