

University Varsity 2025 Asynchronous Extemp Questions

Asynchronous Extemp:

- Students will submit 1 video to use for the weekend. They are free to pick from any of the following questions below.
- Tab will not require any proof of prep time. Simply have students prep and record a video. We understand that you may need a couple of recording attempts.
- Videos cannot be edited in any shape or form.

NX (5)

- How will Trump's presidency affect the conflict in Gaza?
- Will states with the right to choose in their constitutions be immune to potential federal abortion bans?
- Are extremist groups like ISIS making a resurgence in the U.S?
- Will Donald Trump face any consequences from the legal cases against him?
- Is Boeing on a rebound from their previous woes?

IX (5)

- Can Europe's energy grid survive without Russian gas?
- To what extent have Chinese loans impacted African nations' development?
- Will Benjamin Netanyahu be able to win re-election in the 2026 Israeli election?
- To what extent should Europe rearm their militaries?
- Has Javier Milei positively or negatively impacted the Argentine economy?
