The elimination round bracket for this grouping is shown below. You can edit the current round of competition on the bracket, if you wish, by using the links on the right side of each part of the bracket. For instance, you can 'Pick up' an entry in the bracket, then 'Swap' them with another entry, 'Place here' where there is currently a bye, or remove them from competition. You can also fill in byes with entries from elsewhere in the bracket or even add entries that did not originally qualify for the bracket by picking up entries already in the bracket or adding the new entries in place of byes.
