

Hello Coaches and Competitors!

This year, due to construction all over our campus, we will be competing out of a completely different building, on a completely different side of campus, than we have been the last few years.

- 1) Most competition rooms will be housed in Oppenheimer Classroom Bldg (OC).
- 2) Awards on Saturday and Sunday will be in the building next door --- Nursing and Allied Health Bldg (NAHC) 218. ---There may be some overflow competition rooms in nursing, if needed.
- 3) Please park in Lot 27 or any unmarked parking spots in the general vicinity. You can also park in Garage 3, if you need covered parking.

I've created a PDF Map with buildings and parking marked, but here is a link to the campus interactive map: <https://map.concept3d.com/?id=1159#!s/>

Please reach out if you have any issues finding our building/parking.

I will message everyone the week of with specifics on where Tab and Draw will be.
