

WELCOME TO EAST!

INTRODUCTION —————>

● ● Welcome!:

Welcome to East High School! We're so happy you could make it! Thank you so much for coming and Good luck!

How to navigate the school:

East can be intimidating but by following these tips, we'll get you where you need to go!

- All rooms and halls are number oriented, The first number will be the floor you are located, and on top of each gate leading to left and right hallways will show which rooms are in that specific hallway.
- If you are placed in a room that is not located in either the left or right halls, your room is most likely located in the back of the school. In back hallways, room numbers are almost always posted.
- Some rooms will not have a number. These rooms are called butlers! If you are placed in butler 1-4 you will be located in the back of the school outside.
