

A Bill to Protect American Elections

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** The United States will invest \$40 million in election
3 cybersecurity infrastructure to protect against the involvement of foreign
4 actors.

5 **SECTION 2.** Election cybersecurity infrastructure shall be defined as,
6 but is not limited to, any information technology (IT) system used to
7 manage elections or store data, polling facilities, detect generative AI,
8 social media misinformation, or any other associated IT systems used for
9 elections.

10 **SECTION 3.** The Department of Homeland Security shall oversee the
11 implementation of this legislation.

12 A. An independent committee shall develop guidelines on election
13 cybersecurity, enforcing standards for operating and updating
14 election systems, generative AI, and media guidelines to prevent
15 misinformation.

16 B. The advisory shall award cybersecurity and modernization grants to
27 underfunded agencies. Any state that fails to maintain standards
28 established by the committee will lose 10% of funding each year.

SECTION 4. This legislation will take effect immediately upon action.

SECTION 5. All laws in conflict with this legislation are hereby declared
null and void.
