

Scheller Forensics Invitational *January 23-25, 2026*

September 2025

Dear Colleagues:

The Pacific Forensics team cordially invites you and your forensics teams to attend the **online Scheller Forensics Invitational**, which will be held on **Yaaty from January 23–25, 2026**. This competition serves as the third designated tournament for the Northwest Forensics Conference. In addition to offering the traditional **11 AFA-NST events**, we are also including **Editorial Commentary** as our experimental event and three styles of debate: **NPDA, IPDA, and BP**. Please note that **Unauthorized Recordings** of any judges or competitors during the tournament are **NOT Permitted**.

We are proud to name our tournament after Dr. Fred Scheller. After earning his bachelor's degree in 1943 from Pacific University, Dr. Scheller pursued advanced degrees and most of his career was spent at Pacific, as a professor of speech and the director of forensics. Throughout his lifetime he remained a strong advocate and a good friend of our program. We know that his loving spirit will continue to shine down on all of us as we celebrate the weekend together.

Please let us know if you have any questions or need any additional information. We look forward to seeing you in January.

DIVISIONS & RESTRICTIONS

DIVISIONS

Note: ballot ratings are based on the judge's discretion, regardless of division. Please use the following guidelines to determine appropriate divisions for your students:

- **Novice** – Students in the novice division are in their first full year of collegiate forensics. Students must have earned three or fewer 1st-3rd place finalist awards in IE's and/or three semi-finalist/finalist awards in debate at collegiate competitions to remain in the novice division. Please refrain from entering students as a novice that has significant high school experience.
- **Junior** – Students in the junior division are in their first or second year of collegiate competition. Students must have earned eight or fewer awards in IE's and/or debate events at intercollegiate forensics competitions to remain in the junior division.
- **Open** – Open to students with less than four years of intercollegiate forensics experience.

RESTRICTIONS

If we run into issues with entries, events, divisions or availability of rooms and judges, we reserve the right to impose the following restrictions as needed.

- **Entries** – If we have to limit team entries, decisions will be based on AFA-NST standards (66 entries or less per school) and then a first come first serve basis.
- **Divisions** – We will adhere to NFC guidelines to determine collapsed divisions. Additionally, the tournament director reserves the right to reassign students that have been improperly entered in novice or junior divisions, as needed.

DEBATE

PARLIAMENTARY DEBATE (N, J, O)

Procedures will follow standard NPDA guidelines. We will use 7-8-8-8-4-5 time structure and 20 minutes of preparation. Topics will be centrally announced. There will NOT be a “warm room.” Scoring follows standard NFC rules. Information for NPDA may be found at: <https://npdadebate.com/>

IPDA DEBATE (N, J, O)

The IPDA divisions will use the rules as presented in the IPDA constitution with a 5-2-6-2-3-5-3 format and 30 minutes of preparation. Debaters will be presented with 5 resolutions focusing on recent news and current events, and each side will have two strikes. IPDA best practices can be found at: http://www.ipdadebate.info/uploads/4/9/8/1/4981933/ipda_best_practices.pdf

BRITISH-PARLIAMENTARY DEBATE (J, O)

Scoring will be on a 50-100 scale. General information for BP can be found at: <https://www.debatingforeveryone.com/resources/how-debating-works/british-parliamentary>
