

MURRAY STATE UNIVERSITY

Dear Friends and Colleagues,

The Murray State University Speech & Debate Union is thrilled to invite you to our annual Jackson-Purchase Swing to be hosted February 6 - 8, 2026. We plan to offer IPDA debate, all 11 AFA speech events, radio broadcasting, and editorial impromptu. Debate will recognize the top six speakers in each division (IPDA: novice & varsity); IEs will have awards for the top six competitors in each category, as well as the top novice.

For the second year Murray State will also be the host of the Kentucky Forensics Association (KFA) State Championship. Our tournament will proceed as it has every year with one unique characteristic: in addition to the regular tournament awards, we will also recognize the top performing KFA students in each IE and Debate category. KFA schools will compete for KY state championship titles in debate on Friday and IEs during Saturday's tournament. No additional entries or information is required. If you are NOT a Kentucky school, we are thrilled to have you join us, and your students will just be competing for our regular tournament awards =)

Friday:	IPDA (novice & varsity divisions)
Saturday:	IPDA Elimination Rounds & IE
Sunday:	IE only

All entries should be submitted through SpeechWire.com no later than **Monday, February 2nd by 5 pm CST**. Changes will be accepted at no charge until Wednesday, February 4th at 12:00 p.m. CST. For any changes after the deadline, please send changes to Ryan Goke (RGoke@murraystate.edu), Abbey Barnes (abarnes82@utk.edu), AND Pat Richey (Patrick.Richey@mtsu.edu).

Event Information

1. We will be using digital ballots. Please be sure your judges and IPDA competitors bring laptops.
2. We will offer all eleven AFA events, radio broadcasting, editorial impromptu; novice & varsity IPDA.
3. **IPDA non-advancing competitors may be used as judges for elim rounds not in their division.**
4. All IPDA rounds shall follow the time limits and rules established by the International Public Debate Association. Students will have thirty minutes of preparation time (which includes walking time to rounds). We will offer novice, JV, and varsity divisions. If there are not enough entries in JV we will collapse with varsity. We will offer six preliminary rounds and the appropriate number of elimination rounds. IPDA elims will take place during Flight A IEs on Saturday. **(IPDA debaters may not enter Radio on Saturday).**
 - a. **Your judges are obligated to judge one round beyond your school's last round of competition. (e.g., all judges must be available for the first elim round).**
 - b. **Your non-advancing competitors may (if needed) also be used to judge one round beyond your school's last round of competition.**
 - c. **Please check with the IPDA constitution for eligibility requirements for each division.**
 - d. All individual IPDA rounds shall follow the times limit and rules established by the International Public Debate Association. **This includes the prohibition against the use of electronic devices as timers, in-round flowing devices, or any other electronic device used in rounds (including using your phone as a timer).**
 - e. Please note – we will be emphasizing to all judges that everything other than ensuring everyone is “ready” shall be considered “on the clock” (this includes thank you's, roadmaps, arguments, etc.) and judges will be empowered to penalize competitors at their discretion (via speaker points and/or the assigning of the win) for violations of the time limits that are specified in the IPDA bylaws.
5. All IEs (except editorial impromptu and radio broadcasting; see below) shall follow the rules established and followed by the American Forensics Association.
6. The top novice in each IE category shall be recognized
 - a. **A novice for IEs is a competitor who has competed in fewer than six tournaments and has not yet competed at a national tournament.**
7. Access to the internet will be allowed during extemporaneous speaking and radio broadcasting preparation time. Students may not communicate with coaches, teammates, etc., but may use the internet for research.

8. In Editorial Impromptu, students will be given a 1-page op-ed article, and will have 9 minutes to read the article, prepare a response, and deliver it. Students must speak for at least 5 minutes. The speech should involve the development of an argument in response to the thesis developed or the opinion shared in the article. In agreeing or disagreeing with the position or thesis of the article, students should introduce new information and reasoning.
9. For Radio Broadcasting, contestants will be given a packet of source materials and will have 30 minutes to select, organize, and present a simulated radio broadcast. The source material packets will include international, national, state, and local news. All informational material used in the broadcast must be provided by the tournament with the exception of any hypothetical station call letters, time, and current weather conditions or forecast (but students can choose what information they want to present and be creative with advertisements, presentational style, etc.). Students will present their broadcasts seated at a table with the judge facing away from the contestants during the speech. Students may time themselves as no time signals will be given by the judge. Students may organize their material and notes however they choose (and may use scissors, highlighters, tape, or whatever other tools may help them stay organized). Maximum time limit for the speech is 5 minutes. Posting of source materials will be staggered.

Important Notes

2. We will collapse finals if at all possible on Sunday, but that will be determined by the number of judges we receive and the number of competitors in each event.
