

A Bill to Increase Federal Funding for Invasive Species Management.

01 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

02 **Section 1.** The federal government shall allocate \$10,000,000,000 (ten billion dollars)
03 for invasive species removal, monitoring, prevention, and management
04 programs across the United States.

05 **Section 2.** For the purposes of this legislation, an 'invasive species' shall be defined
06 as a nonnative organism whose introduction causes or is likely to cause
07 ecological harm, economic damage, or harm to human health in the
08 environment in which it is introduced.

09 **Section 3.** The U.S. Fish and Wildlife Foundation, in coordination with the
10 Department of the Interior and relevant federal and state agencies, shall
11 oversee the implementation, enforcement, and appropriate allocation of
12 funds authorized under this legislation.

13 **Section 4.** This legislation shall take effect at the beginning of Fiscal Year 2027.

14 **Section 5.** All laws in conflict with this legislation are hereby declared null and void.
