

Battle for the Belt

How to Earn Season Sweeps Points

Every placement, every entry, and every contribution your team makes across our regular-season scrimmages adds directly to your school's running total.

The middle school and the high school with the most points at the end of the season takes home the championship belts!

- We provide accessible, structured tournament experiences exclusively for Orange County Public Schools.
- We operate as a "learning league" where our students can safely find their voice, embrace the learning curve, and build resilience.
- We empower OCPS students to grow from novice learners to varsity champions by reducing financial barriers and supporting our coaches.
