A Bill to Lower the Drinking Age to 18 years old

BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED THAT:

SECTION 1. This bill proposes to change the legal drinking age to the age of 18 on the condition: when in the presence of an adult 21 or older.

SECTION 2. The adult 21 or older, must consent to be held responsible for the actions of the younger drinker, and must also remain legally sober

SECTION 3. The FDA will oversee proper implementation of this law, with assistance from local law enforcement agencies

A. Operation of a motor vehicle under any level of inebriation from the underage drinker will result in arrest and suspension of license

B. If the supervising adult it found to have a blood alcohol level over .08, they will be arrested for misconduct

C. If the 18 year olds blood alcohol level reaches beyond .15, a hold will be put on their and their supervisors identification to prevent future purchase of alcohol for the following calendar year.

SECTION 4. This bill will go into effect January 2028.

SECTION 5. State that all other laws that are in conflict with this new policy shall hereby be declared null and void.
