A Bill to Ban Corporate PACs to Prevent Political Coercion

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

Section 1. All Corporate Political Action Committees (PACs) are banned from engaging in political donations or political advertisements. All PACs will have to submit an annual audit of all donations made over the past year to the Federal Election Committee (FEC) .

Section 2. **A:** Corporate PACs are defined as Political Action Committees that obtain 10% or more of their funding from Foreign Governments or businesses or American Businesses that make over $300,000 every year. Ideological and Union PACs are not banned under this legislation.

B: Union PACs are defined as Political Action Committees that are sponsored by one or more unions and get their money solely from donations from union members.

C: Ideological PACs are defined as Political Action Committees that get all of their money from citizens or residents of the United States and donates to or advertises for a campaign.

Section 3. The Federal Election Committee (FEC) will enforce this law. Any PACs going over the 10% threshold will have their PAC license revoked with a minimum 10 year suspension before reapplication.

Section 4. This bill will come into effect in FY 2028.

Section 5. All laws in conflict with this legislation are hereby declared null and void.

Introduced for Congressional Debate: Quinn Sterner Southern Lehigh High School

A Bill to Transition U.S. Resources to Nuclear (T.U.R.N. Act)

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. The federal government shall reallocate subsidies currently directed toward fossil fuel production and extraction to support the expansion of nuclear energy infrastructure over the course of the next 7 years.

SECTION 2. **A.** Fossil Fuel Subsidies shall be defined as any federal financial assistance, tax credits, or incentives provided to oil, coal, or natural gas companies.

B. The expansion of nuclear energy and infrastructure shall be defined as but is not limited to funding for the construction, operation, and research of nuclear power plants, including advanced reactor technologies.

SECTION 3. The Department of Energy (DOE) shall oversee the reallocation of funds from fossil fuel programs to nuclear energy.

SECTION 4. This legislation will take effect on September 1, 2027.

SECTION 5. All laws in conflict with this legislation are hereby declared null and void.
