Parking Instructions...

- The entrance to the hotel is located on the East side of the building.
- When you enter into the parking lot, you will see the hotel porte cochere where you may leave your car to check-in and unload your belongings.
- To enter the garage, pull through the porte cochere and you will see the ramp directly across from the hotel entrance in front of World of Beer and the Elevator/ATM entrance (look for the blue "Free Garage Parking" sign).
- All parking in the garage is complimentary. Please do not park in the designated valet spots unless you are using the complimentary valet service.
- The parking garage has an entrance downstairs for the Residence Inn property. Guests with the Hilton Garden Inn will need to take the stairs or elevator to street level and access the hotel through the main entrance.

New Vitality...

Opened in Spring 2013, the completion of the CitySet project brought a new life to the Cherry Creek District. A state-of-the-art underground parking garage is complimentary for guests and shoppers, open right out the front door of the hotel. Seven restaurant and retail spaces with rooftop patios and panoramic views will make this a one-stop-shop for all your leisure needs while staying with us.
