NOTE: There used to be a coach’s meeting during the 4th round of debate. However, we will be missing several schools. I will reach out to them for topics they would like added and create a tournament calendar share document for all of us to fill in. If you would like a topic to be added to the agenda, please email that to Sarah (sfrench@greeleyschools.org). We can also revisit the meeting at Speech Nat Quals if necessary/wanted.

Topics:

- Speech Activity Committee report from Angela Smith
- Build our 2019-2020 tournament calendar

Schools MUST pre-register one week prior to the Regional Tournament in order to be eligible to compete. All registrations will take place online through www.speechwire.com

Final registration forms are due prior to the 1st round. Students **MUST** follow the codes assigned on the final registration form – DQ if they compete under the wrong code or in the wrong room. Coaches must be available at all times to judge as needed.

REGIONAL REGISTRATION AND FEES: Schools MUST pre-register one week prior to the regional tournament in order to be eligible to compete. Preregistration is available at www.speechwire.com. Contact your regional director if you are unsure of how to register for your regional tournament. Please register your team online and send payment to CHSAA.

REGIONAL PAYMENTS TO CHSAA MUST ACCOMPANY ONLINE REGIONAL REGISTRATION. PAYMENT MUST BE RECEIVED BY CHSAA BY THE WEDNESDAY FOLLOWING THE REGIONAL COMPETITION OR A LATE FEE WILL BE ASSESSED.

PLEASE REMEMBER: A \$25.00 late fee will be assessed those schools not meeting the registration deadline and/or those schools whose payment is not received by CHSAA by the Wednesday following the regional qualifying competition!!!

Drop Fee: The drop fee for CHSAA Tournaments is equal to registration fee. Drops noted on the regional director's report will be invoiced to your school. (Example: A student drops out of an Individual event: a drop fee of \$13.00 would need to be paid)

FEES ARE: \$13 per student

IMPORTANT REMINDERS

ORIGINAL ORATORY/INFORMATIVE SPEAKING: The cover sheet (page 37, 42 pdf CODED) and a typed manuscript must be submitted with each oratory and informative speaking entry. This must accompany your pre-registration! Each student's oration/speech that is submitted with the pre-registration must be the oration/speech used in competition. Personal references must be truthful.

ORATIONS/SPEECHES ARE LIMITED TO NO MORE THAN 150 QUOTED WORDS. ALL QUOTES MUST BE UNDERLINED AND THE NUMBER OF QUOTED WORDS INDICATED AT THE BOTTOM OF EACH PAGE. THE TOTAL NUMBER OF QUOTED WORDS MUST BE INDICATED ON THE COVER SHEET. Extensive paraphrasing of another source is prohibited.

No student may enter a state qualifying round or state tournament with an oration and/or informative speech used in a prior state regional qualifying or state tournament.

INTERP EVENTS: Selection of material must be made from printed, published sources which have literary merit. ALL COACHES ARE REQUIRED TO BRING THE ORIGINAL OF THE SOURCE(S) TO THE REGIONAL AND STATE TOURNAMENTS. Dramatic, Humorous, Poetry, and Duo performances may be presented with or without scripts. Program Oral Interp performers must use a script.

RULES GOVERNING DIFFERENT EVENTS: The Events section of your speech handbook contains descriptions and rules for each event. Please read these carefully.

DROPS: Drops made on the day of participation will require an additional payment equal to the original registration fee. Drops noted on the Regional Director's report will be invoiced to your school.

ADDS THE DAY OF THE MEET: Adds on the day of the meet will require an additional payment of \$20.00 per student.

ALTERNATES: Schools with a full complement of competitors in any one event may also list an alternate in that event on the pre-registration form. When a regular competitor must be dropped, alternates are to be randomly drawn into the competition. Regional tournament directors will establish deadlines for when alternates may be drawn into the tournament. The number of alternates drawn may not exceed the number of drops. Alternates drawn in after the tournament is scheduled will assume the speaker assignments of the drop being replaced. No rescheduling will be done to accommodate alternates drawn in after scheduling has been completed. Reschedule only to avoid sections of less than four in events and to avoid more than one bye in debate.

DOUBLE ENTRY FORM: The participation of each student is limited to a maximum of two events. Students who choose to double enter may enter **two "A" events, two "B" events or one "A" event and one "B" event with the following limitations:**

A Events = National Extemporaneous Speaking, International Extemporaneous Speaking, Original Oratory, Interpretation of Dramatic Literature, Interpretation of Humorous Literature, and Interpretation of Poetry.

B Events = Cross Examination Debate, Lincoln Douglas Debate, Public Forum Debate, Duo Interpretation, Program Oral Interpretation and Informative Speaking.

- Any student in Extemporaneous Speaking may not enter an additional "A" wave event, but may double enter in a "B" wave event.
- Any student entered in a debate event may not enter an additional "B" wave event, but may double enter in an "A" wave event.
- No student may enter both extemps.
- No student may enter more than one debate event.
- The student may participate in only one event at the State Tournament.
- The student and his/her coach must decide prior to the first round of the Regional Qualifying meet which event to enter at the State Tournament should the student qualify in both.
- This decision must be identified on the Double Entry Form (page 38... page 43 PDF coded) and submitted to the Regional Tournament Director **PRIOR TO THE FIRST ROUND OF THE REGIONAL QUALIFYING MEET.**

COACHING RESPONSIBILITIES: Each school must have its own coach who will be available throughout the meet. If the coach is not the CHSAA registered coach, the on-site coach must have the signature of the principal authorizing his/her official capacity as the coach. Coaches must be available to judge all rounds as long as their students are still in competition.

The coach must check in at the registration desk on both days of the tournament. At that time, registrations will be re-checked and the presence of all qualified participants will be verified.

JUDGES: This responsibility falls on ALL OF THE COACHES. Please start recruiting. I have already posted the tournament on the Northern Judge's page on facebook.

TOURNAMENT DUTIES: Not that any of us would, but please don't plan on hiding in a mysterious corner of the Castle the day of the tournament. The Central team is not running the tournament, all of us coaches are, and everybody will have something to do. The prep work also comes down to all of us, from extemp question writing & formatting, to 2nd tab prep, etc.

QUALIFYING IN LD, CX AND PUBLIC FORUM: All LD, PF and CX teams who have a 3-1 or 4-0 record qualify for the State Tournament. There are no alternates in debate. Debaters must compete in all 4 rounds to advance to the State Tournament.

DEBATE TOPICS:

LD: Resolved: The United States ought not provide military aid to authoritarian regimes.

PF: Resolved: The United States should end its arms sales to Saudi Arabia.

POLICY: Resolved: The United States federal government should substantially reduce its restrictions on legal immigration to the United States.

QUALIFYING IN EVENTS: All events qualify under the following quota system: QUOTA SYSTEM TO BE USED FOR ALL NON-DEBATE EVENTS
