This event will take place after the fourth round is over and tab is happening. It is our hope this will be a fun way to pass the time. This is our first time trying this, so we ask for your patience and understanding. Our hope is that the battle takes about 20 -25 minutes in total. And my hope is that tabbing will take 25-30 minutes in total. :)

Dream On

[Verse 1]

Every time that I look in the mirror
All these lines on my face getting clearer
The past is gone
It went by like dusk to dawn
Isn't that the way?
Everybody's got their dues in life to pay, yeah

[Interlude]

I know nobody knows
Where it comes and where it goes
I know it's everybody's sin
You got to lose to know how to win

[Verse 2]

Half my life's in books' written pages
Lived and learned from fools and from sages
You know it's true
All the things come back to you

[Chorus]

Sing with me, sing for the year
Sing for the laughter and sing for the tear
Sing with me, it's just for today
Maybe tomorrow the good Lord will take you away

Old Town Road

[Intro: Billy Ray Cyrus]

Oh, oh-oh
Oh

[Refrain: Billy Ray Cyrus]

Yeah, I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more
I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more
(Kio, Kio)

[Verse 1: Lil Nas X]

I got the horses in the back
Horse tack is attached
Hat is matte black
Got the boots that's black to match
Ridin' on a horse, ha
You can whip your Porsche
I been in the valley
You ain't been up off that porch, now

[Chorus: Lil Nas X]
Can't nobody tell me nothin'
You can't tell me nothin'
Can't nobody tell me nothin'
You can't tell me nothin'

[Verse 2: Lil Nas X]
Ridin' on a tractor
Lean all in my bladder
Cheated on my baby
You can go and ask her
My life is a movie
Bull ridin' and boobies
Cowboy hat from Gucci
Wrangler on my booty

[Chorus: Lil Nas X]
Can't nobody tell me nothin'
You can't tell me nothin'
Can't nobody tell me nothin'
You can't tell me nothin'

[Refrain: Lil Nas X]
Yeah, I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more
I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more

One Day More

One day more!
Another day, another destiny.
This never-ending road to Calvary;
These men who seem to know my crime

Will surely come a second time.
One day more!

I did not live until today.
How can I live when we are parted?

One day more.

Tomorrow you'll be worlds away
And yet with you, my world has started!

One more day all on my own.

Will we ever meet again?

One more day with him not caring.

I was born to be with you.

What a life I might have known.

And I swear I will be true!

But he never saw me there!

One more day before the storm!

Do I follow where she goes?

At the barricades of freedom.

Shall I join my brothers there?

When our ranks begin to form

Do I stay; and do I dare?

Will you take your place with me?

The time is now, the day is here

Popular

Elphie, now that we're friends, I've decided to make you my new project!

You really don't have to do that...

I know, that's what makes me so nice!

Whenever I see someone less fortunate than I,
And let's face it, who isn't less fortunate than I?
My tender heart tends to start to bleed.
And when someone needs a makeover,
I simply have to take over!
I know, I know exactly what they need!

And even in your case,
Though it's the toughest case I've yet to face,
Don't worry, I'm determined to succeed!
Follow my lead,
And yes indeed, you will be...

POPULAR!

You're gonna be popular!
I'll teach you the proper poise,
When you talk to boys,
Little ways to flirt and flounce,
ooh!
I'll show you what shoes to wear!
How to fix your hair!
Everything that really counts to be...

POPULAR!

I'll help you be popular!
You'll hang with the right cohorts,
You'll be good at sports,
Know the slang you've got to know.
So let's start,
'Cause you've got an awfully long way to go!

Mamma Mia

I been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?

I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again
My my, just how much I've missed you?

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My my, I could never let you go

Lay All Your Love On Me

I wasn't jealous before we met
Now every woman I see is a potential threat
And I'm possessive, it isn't nice
You've heard me saying that smoking was my only vice
But now it isn't true
Now everything is new
And all I've learned has overturned
I beg of you

Don't go wasting your emotion
Lay all your love on me

It was like shooting a sitting duck
A little smalltalk, a smile and baby I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily
I feel a kind of fear
When I don't have you near
Unsatisfied, I skip my pride
I beg you dear

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me
